Message from the Head of School

2026 REVUE: AROUND THE WORLD

We are incredibly excited to announce that we will once again be hosting a school revue in 2026!

In 2025, we travelled *OUT OF AFRICA* with Temba, Noko and Zuri. This year, we are expanding our adventures as we journey *AROUND THE WORLD!*

Our tickets are currently being professionally designed by Curro's Design Lab, and as soon as they are completed, ticket sales will officially open.

Tickets will cost **R50 per person** this year. This will help cover the costs of:

- Professional sound and lighting
- A professional videographer who will record the revue

As an added bonus, every parent who purchases a ticket will receive a copy of the revue video as well. To make this possible, we need to ensure that both evenings are fully booked.

Revue Dates: 21 & 22 September 2026

Letters regarding the revue will be sent home during the course of next week. Please ensure that all reply slips are returned by **next Friday**, as we need to begin planning for costumes.

This year's letter will also include costume sizing information that parents will need to complete. We will begin working on costumes during the holiday, and sizes need to be submitted before the school closes. We therefore kindly request that all forms are completed and returned on time.

The cost of the revue will remain the same as last year:

R450 per learner (payable in 3 instalments. Due by end of July at the latest)

This amount will include:

- All décor and production costs
- Learners' costumes, which they will take home after the final evening

We are extremely excited and truly looking forward to what promises to be a spectacular production.

IT IS GOING TO BE EVEN BETTER THAN LAST YEAR!

Kind regards,

Ms Charlotte Jooste

Let's go on an EXCURSION! (FP)

On the 15 May 2026, our Grade 1 to 3, had the most amazing day of fun at Gold Reef City Mines.

Grade R

Our Grade R learners had an exciting and educational excursion to Gold Reef City! The day was filled with fun, adventure, and meaningful learning as the children explored the rich history of the city and discovered how life was during the gold mining era.

One of the highlights of the trip was the train tour, where learners enjoyed travelling around and exploring different places within Gold Reef City while learning new and interesting facts along the way. From taking adventures rides and excitement to hands-on learning experiences, it was truly a memorable day for our little explorers!

Our learners enjoyed every part of the excursion from the thrilling rides and water fun to the tasty treats and the joy of being outside the classroom. It was truly a phenomenal and memorable experience for everyone involved.

Newsletter

Grade 1

Our Grade 1 learners had a wonderful time during their excursion to Gold Reef City. The highlight of the day was the exciting mine tour, where the learners wore their mining helmets and explored the underground mining experience. It was a valuable opportunity for them to learn in a fun and interactive way while creating special memories with their classmates

Newsletter

Grade 2 and Grade 3

Our Grade 2 and Grade 3 learners had an exciting and educational experience during our excursion to Gold Reef City last week. The learners enjoyed taking part in the mine tour, where they dressed up in mining helmets and gear while learning more about South Africa's mining history. It was a fun-filled day filled with curiosity, learning, and memorable moments for our young explorers!

Who is Who?

Educator (IP): Ms. Philicia Nkuna

The most beautiful educator with such a contagious smile, Ms. Nkuna. We would like to celebrate our amazing staff members.

What is your role at Curro Clayville?

I am an Intermediate Phase educator.

What subjects do you teach at Curro Clayville?

I teach Coding and Robotics, as well as English.

What do you enjoy about working at Curro Clayville?

I enjoy working at Curro Clayville because it provides a positive and supportive teaching environment where educators are encouraged to grow professionally and creatively. I appreciate the opportunity to work with dedicated colleagues who are passionate about education and learner success.

Another aspect I enjoy is building strong relationships with learners and parents while being part of a school community that promotes teamwork, respect, and continuous learning

Who is Ms. Nkuna?

Ms Nkuna is an enthusiastic and committed educator at Curro, serving as both a Robotics and English teacher. She holds a Bachelor of Education (BED) degree from the University of Johannesburg and is dedicated to creating an engaging and supportive learning environment where learners are encouraged to think creatively, communicate confidently, and solve problems effectively.

With a strong interest in technology and innovation, Ms Nkuna inspires learners through hands-on robotics activities that develop critical thinking, coding, teamwork, and practical problem-solving skills. In her English classes, she nurtures a love for reading, writing, and communication, helping learners build confidence in expressing themselves clearly and effectively.

Known for her patience, enthusiasm, and learner-centred approach, Ms Nkuna strives to prepare learners for the future by combining digital skills with strong language foundations. She believes in empowering every learner to reach their full potential academically, socially, and creatively

"You don't have to be great to start, but you have to start to be great." – Ziglar

From our Recipe Book

SWEET & SOUR CHICKEN

LEVEL:
EASY

SERVES:
6

TOTAL TIME:
35 MINS

PREP TIME:
20 MINS

COOK TIME:
15 MINS

INGREDIENTS

¼ cup Vital Health Foods Sweet & Sour Flavoured Soy Sauce

⅓ cup honey

4 tbsp cornflour

½ cup white vinegar

½ cup tomato sauce

6 (650g) chicken breast, cubed

½ tsp each salt & pepper, to season

1 green/red bell pepper, cubed

1 white onion, cubed

1 cup fresh/canned pineapple, cubed (optional)

SERVING SUGGESTION:

Spring onion, sliced

Toasted sesame seeds

Jasmine rice

METHOD

1. Place a medium-sized pot over medium heat. To make the sweet and sour sauce, add the Vital Health Foods Sweet & Sour Flavoured Soy Sauce, honey, 1 tablespoon of cornflour, ½ cup of water, vinegar and tomato sauce. Whisk continuously for 2-3 minutes or until the sauce bubbles and thickens. Set aside until needed. *Chef's Tip: Add a dash of your favourite hot sauce if you prefer a fiery kick!

Newsletter

2. In a large bowl, season the chicken with salt and pepper and coat the chicken with the remaining 3 tablespoons of cornflour. *Chef's Tip: Alternatively, swap the chicken for your protein of choice!
3. Grease a large pan or wok over high heat. Add the chicken to the pan and sauté for 3-4 minutes until it's cooked through and crispy. Remove the chicken from the pan and set aside until needed. *Chef's Tip: Coating the chicken in cornflour before cooking will result in crispy Chinese-style takeaway chicken!
4. Add the peppers, onions and optional pineapple to the pan and stir-fry for 2-3 minutes or until the vegetables are cooked but remain crunchy.
5. Add the crispy chicken along with the sweet and sour sauce to the vegetables and allow it to simmer for about 1 minute, while stirring continuously.
6. Garnish the dish generously with sliced spring onion and sprinkle with toasted sesame seeds. Serve with Jasmine rice and ENJOY!

Enjoy your food,
enjoy your life.

Finance

From Curro Finance Department we would like to thank all our account holders for maintaining school fees and other payments.

Please note that the preferred method of payment of school fees is via Debit order, should you wish to change your payment option to debit order or for any financial queries, please contact the finance department on tracy.c1@curro.co.za.

Once again, another reminder, EFT payments should be paid using the correct **reference (family code)**, this will allow allocation to the correct account. **Please do not use learner's name.**

We remind you also to kindly settle any outstanding arrears to avoid any further collection actions. Note: school fees are payable in advance.

Please do not hesitate to contact us, should you have any questions in this regard.

We are on Social Media!

Curro Academy Clayville is our Instagram Page where we post regularly about upcoming events or activities that learners are doing at school that are updated on what is happening at our school and be able to see it for themselves. Follow, Like and share the Instagram page, and check in to the school on the Facebook page when you are here to make it easier for potential parents to find our amazing school.
