Message from the Head of School

Dear Parents, Guardians, Learners

As we move steadily through another busy term, I would like to take a moment to thank all our parents, learners and staff for their continued support and commitment to our school.

The term has been filled with sporting activities, practices, matches and many opportunities for our learners to represent the school with pride. Thank you to our parents for the countless hours spent transporting, supporting, encouraging and cheering from the sidelines. Your involvement plays a significant role in the success and growth of our learners.

As assessments continue, I would like to encourage all learners to remain focused on their studies. Success is not always measured by achieving the highest marks, but rather by giving your very best effort every day. Consistent preparation, completing homework, revising work regularly and maintaining a positive attitude toward learning will always lead to growth and improvement.

With winter now well underway, we kindly ask that all learners wear the correct winter uniform and take pride in their appearance. A neat and tidy learner reflects self-respect and school pride. Please ensure that all clothing items are clearly marked with your child's name.

We also ask parents to communicate with the class teacher should any uniform item, textbook, school resource or personal belonging be lost or damaged. Prompt communication allows us to assist where possible and helps prevent misunderstandings.

At school, we continue to emphasise values such as responsibility, respect, kindness and perseverance. These values remain the foundation of a positive learning environment and contribute greatly to the development of well-rounded young people.

As we approach the last part of the term, I encourage everyone to keep pushing forward. Challenges may arise, but every challenge presents an opportunity to learn, grow and become stronger. Let us continue to support one another, celebrate achievements and work together to ensure a successful and rewarding term for all.

Thank you for your ongoing partnership and trust. Together, we make a difference in the lives of our children every day.

Wishing all our families a warm, healthy and productive week ahead.

Ms Charlotte Jooste

Let's go on an EXCURSION! Grades 4-7

On the 28 May 2026, our Grade 4 and 5, had the most amazing day of fun at Honeydew Mazes in Roodepoort.

Grade 4 and 5

Have you ever travelled to an unknown destination without Waze or Google Maps?

Imagine the feeling of being stuck with no way out. This is exactly what went down last week. Our Grade 4 and Grade 5 learners were able to explore and find ways to escape out of a giant maze.

It felt like Survivor South Africa, the only difference is that we were given lots of food to munch on!

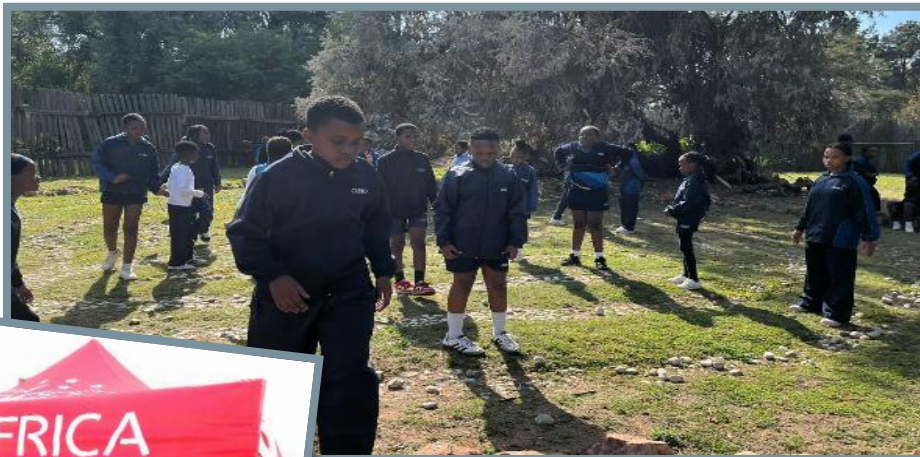

Newsletter

Grade 6 and 7

On the 29 May 2026, our Grade 6 and 7 learners enjoyed the day out at Play Africa. Play Africa is a museum which emphasises on South African History. It was exciting to experience a day out with lots of activities and discoveries along the way.

We are stronger together

Behind every beautiful learner is a teacher who loves them dearly. Our team of Intermediate Phase teachers took a very cold morning, before an excursion to have a cup of something warm together. We had two teachers in absence due to the tournaments over the week.

We also bid farewell to our student teachers, who joined us in the beginning of Term 2.

Sometimes we forget to say a simple thank you, a quick I got you!
We would love to extend a huge thank you to Ms Mohlala for this beautiful initiative.
What a beautiful morning!

Pinnacle College Tournament

We were so privileged to have taken part in the Pinnacle College Tournaments for U11 Netball and Soccer in Benoni. We would like to thank each learner for their participation and dedication. We are truly grateful as a school for the amazing results. Although not all a win but it is amazing to witness our learners grow confidence in sport.

Some of the results: **FINAL**

Soccer

Curro Clayville	Pinnacle College Waterfall
1	1

Netball

Girls – 7th Position

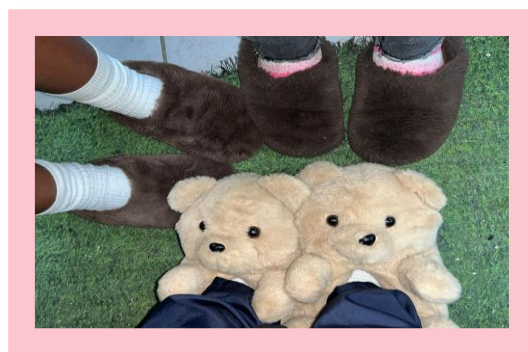

Boys Soccer – Lost in the quarterfinals after a hard fought out match.

Slipper day

On the 29 May is known as World Slipper Day. To partake in this day, learners across South Africa buy a R20,00 sticker which contributes to Reach for a Dream, which is a good cause for children in need.

Curro Clayville Outreach

Jars of Hope

As part of our Nelson Mandela Day outreach project next term, we are collecting clean glass coffee jars with lids. If you have any at home that you would be willing to donate, please send to school with your child.

Your support would be greatly appreciated

Finance

From Curro Finance Department we would like to thank all our account holders for maintaining school fees and other payments.

Please note that the preferred method of payment of school fees is via Debit order, should you wish to change your payment option to debit order or for any financial queries, please contact the finance department on tracy.c1@curro.co.za.

Once again, another reminder, EFT payments should be paid using the correct **reference (family code)**, this will allow allocation to the correct account. **Please do not use learner's name.**

We remind you also to kindly settle any outstanding arrears to avoid any further collection actions. Note: school fees are payable in advance.

Please do not hesitate to contact us, should you have any questions in this regard.

We are on Social Media!

Curro Academy Clayville is our Instagram Page where we post regularly about upcoming events or activities that learners are doing at school that are updated on what is happening at our school and be able to see it for themselves. Follow, Like and share the Instagram page, and check in to the school on the Facebook page when you are here to make it easier for potential parents to find our amazing school.
