

PROFESSIONAL SUMMARY

Compassionate and dedicated Registered Nurse with over 4 years of experience in clinical nursing, patient care, and medical administration across busy hospital environments. Proven ability to deliver high-quality, patient-centred care in fast-paced ward and ICU settings. Skilled in treatment planning, medication administration, vital signs monitoring, and interdisciplinary collaboration. Committed to upholding the highest standards of patient safety, dignity, and clinical excellence.

WORK EXPERIENCE

Staff Nurse / Registered Nurse

Mar 2021 – Present

National Hospital Abuja, Abuja

- Delivered direct patient care including medication administration, wound dressing, and vital signs monitoring.
- Collaborated with physicians, specialists, and multidisciplinary teams to develop individualised patient care plans.
- Maintained accurate and up-to-date patient medical records in compliance with hospital protocols.
- Responded promptly to patient emergencies, performing Basic Life Support (BLS) and escalating as required.
- Provided patient and family education on post-discharge care, medication management, and lifestyle recommendations.
- Supervised and mentored junior nurses and student nurses during ward rounds and clinical procedures.
- Administered IV medications, performed IV cannulation, catheterisation, and other clinical procedures as directed.

Junior Nurse / Nursing Assistant

Jan 2019 – Feb 2021

Garki General Hospital, Abuja

- Assisted senior nurses in patient assessments, clinical observations, and routine care procedures.
- Prepared patients for surgical and diagnostic procedures, ensuring compliance with pre-operative protocols.
- Maintained cleanliness and infection control standards across ward areas in line with hospital guidelines.
- Documented patient progress notes and reported significant changes in patient condition to charge nurses.
