Mid-Year Examination Processes and Timetable

Dear Parent/Guardian

With the mid-year examination commencing in a few weeks, we would like to bring the following important processes and protocols to your attention:

Pre-Exam Briefing: Teachers will conduct a short briefing in the classrooms before each exam, reading the examination rules and regulations to the learners.

Learner Attendance: Learners not writing on a particular day are required to remain at home, however if learners are present at school, they will not be permitted to loiter and will be allocated to a venue where they are expected to use the time productively for exam preparation. Please advise them to carry their study material so their time can be used productively.

While the Senior Phase may not be writing exams daily, Please note that until Thursday, 28th of May, attendance is mandatory as regular teaching, and important revision will take place as per the teaching plan

Post-Exam Supervision: After completing their exam, learners are expected to vacate the premises. A 30-minute grace period will be allowed, after which any remaining learners will be supervised in a designated venue until 14h00. Teachers on duty will monitor them during this time.

Arrival Times: Learners must arrive at school by 7h30 daily. Those writing in the second session only, must arrive by 11h00, with afternoon sessions starting at 13h00. Should a learner arrive in the morning a study venue will be availed for learners to use their time productively.

Dismissal Times: From the **20th of May until the 26th of May**, learners will be dismissed at **14h00** and from the **26th of May**, dismissal will be at **12h00**.

Please be advised that after an examination, learner support and revision will be conducted until 14h00, therefore no learner will be allowed to leave before 14h00.

For safety reasons, learners will not be permitted to wait outside the school and must remain on the premises at all times.

Exam Timetables: Please see attached learner exam timetables, a copy of which was shared on learner groups, the newsletter and MyHub.

This is a pivotal time in your child's academic journey, and we wish them all the best as they demonstrate the knowledge and skills they've acquired. Good luck to all our learners!

Aishah Kader

(Head of High School)
