

NALIMA MARIA

Early Career GRC Professional | IT Risk & Compliance | Information Systems Graduate

📍 KAMPALA, UG ✉ nalimamaria268@gmail.com ☎ +256 763996089

ABOUT

Early career Governance, Risk, and Compliance (GRC) professional with a Bachelor of Information Systems and dual ISO/IEC 27001 and ISO/IEC 42001 certifications. Adept at conducting IT risk assessments, developing risk registers, and mapping controls to industry standards, positioning for impactful roles in GRC analysis and information security.

WORK EXPERIENCE

Course Coordinator, Bachelor of Information Systems | Kyambogo University

Jan 2022 - May 2025, Kampala, Kampala, Uganda

Led administrative and logistical coordination for the Bachelor of Information Systems program, supporting academic operations and student success.

- Coordinated academic schedules and resources for the Bachelor of Information Systems program, supporting over 100 students annually.
- Facilitated communication between faculty, students, and administration to ensure smooth program delivery and student engagement.
- Provided leadership and guidance to student cohorts, fostering a collaborative learning environment and addressing academic inquiries.

ICT Bootcamp Participant (Web Development & Emerging Technologies) | National ICT Innovation Hub

Jan 2025 - Mar 2025, Kampala, Kampala, Uganda

Participated in the Women in ICT Bootcamp, gaining practical skills in web development and foundational knowledge in emerging technologies.

- Developed foundational web applications, demonstrating proficiency in front-end and back-end technologies.
- Explored concepts of Artificial Intelligence (AI) and Robotics, understanding their applications in modern IT landscapes.
- Gained exposure to 3D animation principles and software, enhancing skills in digital content creation.

IT Intern | Supercom Technologies Limited

Jan 2024 - Jun 2024, Kansanga, Kampala, Uganda

Gained hands-on experience in system maintenance, network configuration, and data management, enhancing practical IT field skills.

- Performed comprehensive computer maintenance, including hardware diagnostics and software troubleshooting, reducing system downtime by an estimated 15%.
- Successfully installed and configured various Operating Systems (Windows and Linux) across multiple workstations, ensuring optimal performance and security.
- Executed critical data backup and recovery procedures, safeguarding sensitive information and maintaining business continuity.
- Provided remote access support to clients, resolving technical issues efficiently and improving user satisfaction.
- Developed and updated WordPress websites, contributing to enhanced online presence and digital content management.

IT Technical Trainee | Kyambogo University

Jun 2023 - Aug 2023, Kampala, Kampala, Uganda

Completed intensive in-house training focused on critical network infrastructure deployment and operating system management.

- Executed fiber optic cable splicing techniques, ensuring reliable and high-speed network connectivity.
- Configured and optimized network setups, enhancing data flow efficiency and system performance.
- Deployed and maintained operating systems (Windows and Linux) across university infrastructure, supporting diverse user requirements.

EDUCATION

Governance, Risk Management and Compliance (GRC) | International Cybersecurity & Digital Forensics Academy (ICDFA) | Specialization Program

Kampala, Kampala, Uganda, Jul 2025 - Jan 2026

- IT and enterprise risk assessments (likelihood, impact, residual risk)
- Mapping controls to ISO/IEC 27001 clauses and Annex A
- Incident response simulations and after action reporting
- Development of risk registers and risk treatment plans
- Basic compliance mapping aligned to data protection and cybersecurity requirements
- Audit preparation and evidence documentation

Information Systems | Kyambogo University | Bachelor's Degree

Kampala, Kampala, Uganda, Sep 2022 - Dec 2025

Uganda Advanced Certificate of Education (UACE) | Lincon High School Kabembe | High School Diploma

Kabembe, Central Region, Uganda, Jan 2020 - Dec 2021

Uganda Certificate of Education (UCE) | Seeta Hill College | High School Diploma

Seeta, Central Region, Uganda, Jan 2017 - Dec 2018

SKILLS

Emerging Technologies | Artificial Intelligence (AI) Concepts, Robotics, 3D Animation

Software & Tools | Microsoft Office Suite (Word, Excel, Access), Electronic Gadgets

Professional Skills | Organizational Skills, Communication Skills, Teamwork, Problem-Solving, Adaptability, Independent Work, Detail-Oriented

Governance, Risk & Compliance | IT Risk Assessment, Enterprise Risk Management, Risk Register Development, Risk Treatment Plans, Control Mapping (ISO/IEC 27001 Annex A), Compliance Mapping, Data Protection, Cybersecurity Requirements, Incident Response Simulation, Audit Preparation, Evidence Documentation

Information Technology | System Maintenance, Operating System Installation (Windows, Linux), Data Backup & Recovery, Remote Access Support, Network Setup, Structured Cabling, Fibre Optic Splicing, PC Installation & Maintenance, IT Infrastructure Administration, Server Setup & Configuration, Cisco Packet Tracer

Web Development | WordPress Development, Front-end Development, Back-end Development

CERTIFICATES

ISO/IEC 27001 (Information Security Management Systems) | International Organization for Standardization (ISO)

ISO/IEC 42001 (Artificial Intelligence Management Systems) | International Organization for Standardization (ISO)

LANGUAGES

Luganda (Proficient), English (Fluent), Lusoga (Proficient)

INTERESTS

Digital Exploration

- Surfing on internet
- Discovering new technologies

Recreational Activities

- Dancing
- Reading novels
- Travelling
- Listening to music
- Watching movies
