

FLASHBACK TO 2025

Throughout 2025, the Component: Corporate Communication and Liaison strengthened its commitment to keeping members informed, connected, and valued.

Against this backdrop, the Component reflected on the year's employee-related highlights—milestones the organisation celebrated with pride, moments that reaffirmed its purpose, and collective achievements that propelled it to greater heights. These successes not only fostered internal unity but also reinforced SAPS's standing as an employer of choice.

NATIONAL WORKSHOP ON REDEFINING AND REPOSITIONING HUMAN RESOURCE MANAGEMENT SERVICES WITHIN SAPS

12–14 February 2025 | Birchwood Hotel, Boksburg, Gauteng Province

In recognition of the organisation's and its people's evolving needs, SAPS embarked on a strategic process to redefine and reposition HRM services. This initiative stemmed from internal reflection on how HR practices shape organisational effectiveness, employee well-being, and service delivery.

The focus extended beyond policy and structure, with deliberate emphasis on employee health and wellness (EHW) and a people-centred organisation—ensuring human resource considerations lay at the heart of organisational renewal. The workshop aimed to enhance service delivery to SAPS employees, placing dignity, wellness, accountability, and sustainability at the centre of the organisation's future.

GENDER AND EQUALITY: BEYOND LGBTQIA+ CONCERNS – A FUNDAMENTAL HUMAN RIGHTS ISSUE

The South African Police Service reaffirmed its commitment to upholding the human rights and dignity of all people, including members of the LGBTQIA+ community. In advancing this pledge, SAPS hosted a virtual engagement titled "Promoting and Protecting the Human Rights of the LGBTQIA+ Community" on 27 March 2025 via Microsoft Teams.

Expected outcomes included improved intervention strategies, enhanced use of inclusive and respectful language, development of a responsive intervention plan, and strengthened partnerships to promote equality, dignity, and trust. Through this initiative, SAPS advanced its journey towards people-centred policing, grounded in respect, accountability, and equal access to justice for all.

TRANSFORMING SAPS: FIRST NATIONAL SYMPOSIUM FOR LGBTQIA+ AMBASSADORS

In September 2025, SAPS marked a defining moment by hosting the First National Symposium for SAPS LGBTQIA+ Ambassadors on 15–16 September under the Dignity, Diversity and Policing (DDP) Programme.

This event represented a deliberate step towards embodying constitutional policing values and giving deeper meaning to the SAPS motto, "We Serve with Pride." Deliberations centred on strengthening implementation of Standard Operating Procedures, affirming dignity through inclusive practices, and equipping ambassadors to lead mental health awareness and bias-mitigation initiatives at provincial level.

The symposium recognised that SAPS cannot effectively protect communities from discrimination while exclusion persists internally. It affirmed that human rights, health equity, and effective policing are inseparable.
